Introduction	9
What is PC TV?.....	9
Users and activities	10
Methodology	11
Results.....	11
Respondent demographics	12
Title.....	12
Geography.....	13
Country	13
Gender	15
Age.....	15
Race or ethnic background.....	16
Highest level of completed education.....	17
Annual household income	17
User survey	19
How often do you use the following technologies?	19
Would you like to watch TV on your PDA?	20
How do you receive your Internet service at home?.....	22
How many hours a day do you watch your television set?.....	23
Do you have digital cable in your area?	24
Do you have HDTV in your area?.....	25
How many personal computers do you have in the home?	26
How many hours a day do you spend on-line (email or Web)?	27
What percentage of your time do you use your PC for the following?	27
Are you watching any TV at any time on your PC? How often?.....	31
Are you watching TV via streaming media from the Web?	33
Do you have TV capability in your PC?	34
Respondents with PC TV capability	37
How do you acquire TV signals for viewing with your PC TV device?	37
What year did you install your PC TV?	38
How frequently do you . . . ?.....	39
What features do you use from your PC TV product?	41
What new features would you like to have as part of PC TV?	44
What features would you like to see added to a PC TV product?	48
What categories of programming have you watched using your PC TV?	51
What type of PC TV tuner card did you adopt? Please identify the make and model if you have that information.	54
What type of external TV tuner did you buy?.....	54
Why did you buy the PC TV tuner card?	55
What was/is the primary reason for getting TV capability in your PC?.....	57
Did you buy the PC TV device with the computer or after buying your computer?	61
About how much did your PC TV tuning device cost?.....	63
Now that you are using it, was it worth the cost?	63

How satisfied are you with the following features and services related to your PC TV?.....	64
What have been some of the most positive experiences you have had with your PC TV?	65
How likely are you to recommend the purchase of PC TV to others?	67
Why or why not would you recommend the purchase of a PC TV tuning device to others? .	68
What disappoints you about your PC/TV experience?	71
If you had to do it all over again, would you install a PC TV tuner?	74
What motivated you to adopt a PC TV tuner?.....	77
When you were considering getting TV for your PC, what were you looking for?.....	79
How many hours a day do you watch television on your PC?	81
What time of day do you most frequently use your PC TV?	82
Where do you primarily watch television on your PC TV?	84
If you use PC TV at home, in what room of the home do you primarily watch PC TV?	84
Did your PC TV take the place of a traditional television set?	86
Does your PC TV get used as an entertainment center?	89
When you view TV, how far away is the screen?	90
What type of personal computer is your PC TV connected to?	91
What operating system does that personal computer have?	92
Who should provide the PC TV interface (i.e., change channels, record TV, picture, window size, etc.)?	93
What amount of RAM?	94
What is the processor speed?	95
How large (in MBytes or GBytes) is your hard disk?	96
What type of display do you use to watch signals tuned with your PC TV?	97
What size screen?	98
Is your PC TV tuning device capable of tuning digital TV signals?	98
Is your PC TV tuning device capable of tuning HDTV signals?	99

***Respondents with and without PC TV capability*..... 101**

How desirable is the ability to watch TV on your PC?	101
Would you want to watch a TV program on your PC if it is in HDTV?	101
How important is the operating system for PC TV?	102
Who should provide the PC TV interface (i.e., change channels, record TV, picture, window size, etc.)?	103

***Respondents without PC TV capability*..... 105**

Are you considering a TV capability for your PC?.....	105
If you were to get a TV tuner for your PC, how frequently would you do the following?...	107
What features would you use from a PC TV product?	112
What new features would you like to have as part of PC TV?	114
What features would you like to see added to a PC TV product?	118
What categories of programming would you watch using a PC TV?	120
Where would you primarily watch television on your PC TV?	121
If you were to use PC TV at home, in what room of the home would you primarily watch PC TV?	122
What type of personal computer would you connect TV capability to?	123
What operating system would you use?	124
What amount of RAM?.....	125
What is the processor speed?	126
How large (in MBytes or GBytes) is your hard disk?	126
If you were to get TV in/on your PC, what type of display would you use to watch signals tuned with your PC TV?	127

What size screen do you have on your PC now?	128
Assuming you want to watch TV using a PC to control it, how would you rate the concept of a 10-foot user interface (i.e., how you control functions with a remote control)?	129
Summary	131
Conclusion	131
